Subject.—Liberalisation of House Building Advance Rules.

The undersigned is directed to say that the Rules to regulate the grant of advances to Central Government servants for building etc., of houses at present provide that advances may be granted not exceeding an amount equal to 36 times the monthly pay, subject to a maximum of Rs. 35,000. In view of the general increase in the cost of land and other construction materials, the question of enhancing the quantum of advance, especially for low paid employees, has been under consideration of Government for some time past. It has now been decided that other conditions remaining the same, advances may be granted upto 48 times the monthly basic pay of an applicant subject, however, to a maximum of Rs. 35,000.

2. It has also been decided that, in cases where the advance already sanctioned has been restricted to 36 times the basic pay, etc., requests from Government servants for enhancement of the advance upto 48 times their monthly pay (subject to a maximum of Rs. 35,000) will be considered provided:

(i) the Government servant requires the additional amount of the advance for completing construction of his house already approved by this Ministry.

ii) the increased amount of the advance does not exceed the cost of construction, or the cost of the ready built house, or 80% of the overall cost of the house constructed in rural areas.

(iii) the enhanced amount of the advance is within the repaying capacity of the Government employees determined in accordance with Rule 4(b) of the Rules and this Ministry's O.M. No. 10/2/66-HIII, dated the 7th March, 1967.

(iv) the additional amount of advance admissible to the Government employees is not less than an amount equal to 7½% of the amount of advance already approved by his Ministry.

(Note.—Pay for the purposes of House building Advance Rules is the pay of the applicant at the time of conveying this Ministry's approval and no subsequent increase by way of promotion, transfer, increments, etc., will be taken into consideration).

3. The Rules to regulate the grant of advances for construction etc., of houses, is amended as follows:

For the existing first sentence of Rule 4(b) the following is substituted:

"Applicants may be granted an advance not exceeding an amount equal to 48 times the monthly pay including officiating pay, (except where drawn in a leave vacancy), dearness pay, personal pay and special pay mentioned in the Schedules to the Central Civil Services (Revised Pay) Rules, 1960, but not pay drawn in a short or fixed term of deputation duty, subject to a maximum of Rs. 35,000 in cases covered by Rule 3(a) above and Rs. 10,000 in cases falling under Rule 3(b) above.

4. In so far as the persons serving in the Indian Audit and Accounts Departments, this issues with the concurrence of the Comptroller and Auditor General of India.

5. The Ministry of Finance etc. are requested to bring the contents of this O.M. to the notice of all the Central Government employees concerned.

Copy of Government of India Ministry of Works, Housing and Supply (Department of W. & H.), New Delhi's Office Memorandum No. 10/7/65-HIII. dated the 9th February, 1968, to All Chief Secretaries of Union Territories.

Subject.—Rules to regulate the grant of advances to Central Government servants for building etc. of houses—amendments to.

The undersigned is directed to say that it has been decided to amplify the definition of the term "Central Government Servants" occurring in the Rules to regulate the Grant of Advances to Central Government Servants for building etc., of houses, so as to cover the Government servants of the Union territories governed by the Union Territories Act, 1963. Accordingly, Note 1 below Rule 1 of the Rules is amended to read as follows:—

"The term 'Central Government Servants' as used in these Rules includes the Government employees of Union territories also".

GOVERNMENT OF INDIA MINISTRY OF WORKS, HOUSING AND SUPPLY

Rules to regulate the grant of advances to Central Government servants for the buildings, etc., of houses.

1. **Eligibility.**—House building advances may be granted to the following categories of Central Government servants:—

- (a) permanent Central Government servants.
- (b) Central Government servants not falling in category (a) above who have rendered at least 10 years' continuous service, provided,
 - (i) they do not held a permanent appointment under a State Government; and
 - (ii) the sanctioning authority is satisfied that they are likely to continue in the service of the Central Government at least till the house for which the advance is sanctioned, is built and/or mortgaged to Government.
- (c) Officers who belong to All India Services such as the I.C.S., I.A.S., I.P.S., etc., who are on deputation to the Centre, provided,
 - (i) they are on permanent deputation to the Centre, i.e., officers in the pool, or
 - (ii) they have been on deputation to the Centre continuously for 6 years.

Notes.—(i) The term 'Central' Government servants' as used in these Rules includes the Government employees of the Union Territories of Delhi, the Andaman and Nicobar Islands and the Laccadiv and Minicoy Islands, the North East Frontier Agency and the Administration of Dadra and Nagar Haveli.

(ii) When both the husband and wife are Central Government servants and eligible for the grant of an advance it shall be admissible to only one of them.

2. **Conditions to be fulfilled.**—An applicant for the grant of an advance must satisfy the following conditions:

- (a) the cost of the house to be built/purchased (including the cost of the residential plot) should not exceed sixty times the pay of a Central Government servant or Rs. 75,000 whichever is less and the applicant should not have availed of any loan or advance for the acquisition of a house from any other Government source, e.g., the Department of Rehabilitation, or a Central or State, Housing Scheme. Provided, however, that, where the loan, advance etc., already availed of by an applicant does not exceed the amount admissible under these rules, it would be open to him to apply for an advance under these Rules on the condition that he undertakes to repay the outstanding loan, advance, etc., (together with interest (if any) thereon) forthwith, in one lump sum to the Ministries/Departments concerned.

In cases where a Central Government servant makes (or has made) a final withdrawal from his Provident Fund account in connection with the construction/acquisition of a house or a residential plot, in addition to availing of an advance under these Rules, the total amount of the advance sanctioned under these Rules and that withdrawn from the Provident Fund should not exceed sixty times the monthly pay or Rs. 75,000, whichever is less.

- (b) Neither the applicant, nor the applicant's wife/husband/minor child should owns a house. However, this condition may be relaxed by Government in exceptional circumstances, as, for example, if the the applicant or the applicant's wife/husband/minor child owns a house in a village and the applicant desires to settle down in a town; or where an applicant happens to own a house jointly with other relations, etc. and he desires to build a separate house for himself.
- (c) The floor area of the house to be constructed or purchased should not be less than 380 sq. feet.

3. **Purposes for which advances may be granted**—An advance may be granted for—

- (a) constructing a new house (including the acquisition of a suitable plot of land for the purpose), either at the place of duty or at the place where the Government servant proposes to settle after retirement. An application for an advance for purchasing a ready-built house which has not been lived in since its construction may also be considered, if the agency offering it for sale is Government or Semi-government or an autonomous institution like the City Improvement Trust, etc., and the house has not been built under the Low or Middle Income Group Housing Schemes;
- (b) enlarging living accommodation in an existing house owned by the Government servant concerned, provided that the total cost of the existing structure (including land) and the proposed

additions and expansions does not exceed sixty times his monthly pay or Rs. 75,000, whichever is less;

- (c) the repayment of a loan or an advance taken from a Government source, as contemplated in Rule 2(a) of the Rules; this facility will however, not be available, if the construction of the house has already commenced.

4. *Amount of advance.*—(a) Not more than one advance shall be sanctioned under these Rules to a Government servant during his/her entire service.

(b) Applicants may be granted an advance not exceeding an amount equal to 36 times the monthly pay, including officiating pay (except where drawn in a leave vacancy), dearness pay, personal pay and special pay mentioned in the Schedules to the Central Civil Services (Revised Pay) Rules, 1960, but not pay drawn in a short or fixed term of deputation duty subject to a maximum of Rs. 25,000 in cases covered by Rule 3(a) above and Rs. 10,000 in cases falling under Rule 3(b) above. Low paid employees may, however, be granted an advance up to Rs. 4,800 irrespective of the pay actually drawn by them. The actual amount of the advance to be sanctioned will be determined by the Ministry of Works, Housing and Supply on the basis of the plans and detailed specifications and estimates to be furnished by applicants justifying the amount of the advance applied for, and shall be restricted to the estimated cost of construction/purchase within the ceiling amounts prescribed above and subject to the further condition that, in the case of construction in rural areas, the amount of the advance will, in no case exceed 80 per cent of the true cost of land and construction of the house or the true cost of enlarging living accommodation. The amount of the advance will further be restricted to the amount which a Central Government servant can repay partly from his gratuity/death-cum-retirement gratuity and partly by convenient monthly deductions from his pay, before the date of his superannuation, according to the Service Rules applicable to him.

For the purpose of these calculations, it will be assumed that a Government servant can generally commence repayment of the advance one year after the date of approval of the advance by the Ministry of works, Housing and Supply and that an instalment calculated upto 33-1/3 per cent of his pay will be within his paying capacity.

- (ii) An amount equal to 30 per cent of the balance of the advance will be payable to the applicant on his mortgaging in favour of the Government the land purchased by him along with the house to be built thereon where such mortgage is permitted by the terms of the sale of land. - (iv) The balance of the sanctioned advance will be payable when the construction of the house has reached roof level, provided the Head of the Department is satisfied that the development of the area in which the house is built is complete in respect of amenities such as water supply, street lighting, roads, drainage and sewerage.

Note.—There is a ban on the grant of advance partly for the purchase of land and partly for construction of houses.

- (ii) A further amount not exceeding 40 per cent of the sanctioned advance will be payable when the house has reached plinth level.

- (ii) An amount equal to 25 per cent of the balance of the advance will be payable to the applicant on his mortgaging, in favour of the Government, the land purchased by him along with the house to be built thereon, where such mortgage is permitted by the terms of the sale of land.  - (ii) all applicants who are due to retire from service within a period of 18 months following the date of application for the grant of an advance;
 - (iii) all applicants who are permanent Central Government servants but not covered by sub-para (ii) above if they require the advance for the purchase of a ready-built house.

Notes.—(i) The liability of the surety will continue till the house built/purchased is mortgaged to Government or till the advance together with the interest due thereon is repaid to Government, whichever happens earlier.

(ii) Utilisation of the advance for a purpose other than that for which it is sanctioned shall render the Government servant liable to suitable disciplinary action under the C.C.S., (C.C. & A.) Rules, 1965 or under any other rules of service applicable to the Government servant. He may also be called upon the refund to Government forthwith, the entire advance drawn by him together with interest accruing thereon in accordance with Rule 6 of these Rules.

(iii) The period for producing the sale deed in respect of the developed plot of land referred to in sub-rules

(a)(1)(i) and (a)(3)(i) may be extended by the Head of the Department by a reasonable time after satisfying himself that the applicant has either already paid the cost of the land or is likely to pay it immediately; that the extension of time will enable him to acquire the title/leasehold rights to the land and that he has every intention of building a house and will be in a position to complete the construction of the house by the 18th month after the date of the drawal of the first instalment of the advance or in such period by which the time for the completion of the house is extended under Rule 7(a)(ii).

6. *Interest.*—An advance granted under these rules shall carry simple interest from the date of the payment of the advance the amount of interest being calculated on the balance outstanding on the last day of each month. "The rate of interest shall be $4\frac{1}{2}\%$ per annum on all advances sanctioned by the Heads of the Departments upto 15-10-1963 and 5% per annum on all advances sanctioned from 16-10-1963 to 22-6-1965 and, until further order, $5\frac{1}{2}\%$ (five and half per cent) per annum, on all advances sanctioned on or after 23-6-1965".

7. *Construction, maintenance, etc.*—(a) The construction of the house or additions to living accommodation in an existing house, (as the case may be) shall be—

(i) carried out exactly in accordance with the approved plan and specifications on the basis of which the amount of the advance has been computed and sanctioned. The plan and specifications should not be departed from without the prior concurrence of the Ministry of Works, Housing and Supply. The Government servant shall certify, when applying for the instalments of the advance admissible at the plinth/roof level, that construction is being carried out strictly in accordance with the plan and estimates furnished by him to the Government of India, that the construction has actually reached plinth/roof level, and that the amount already drawn has actually been used on the construction of the house. The Head of the Department may, if necessary, arrange to have an inspection carried out to verify the correctness of the certificates;

(ii) completed within 18 months of the date on which the first instalment of the advance is paid to the Government servant concerned. Failure to do so will render the Government servant liable to refund the entire amount advanced to him (together with interest thereon calculated as in rule 6 above), in one lump sum. An extension of the time limit may be allowed upto one year by the Head of the Department and for a longer period by Government in those cases where the work is delayed due to circumstances beyond the control of the Government servant. The date of completion of construction must be reported to the Head of the Department concerned without delay.

(b) Immediately on completion or purchase of the house, the case may be, the Government servant concerned shall insure the house, at his own cost, with the Life Insurance Corporation of India for a sum not less than the amount of the advance and shall keep it so insured against damage by fire, flood and lightning, till the advance is fully repaid to Government and deposit the policy with Government. The premia must be paid regularly and the premium receipts produced for inspection by the appropriate authority (viz., Head of Office or Department concerned). In the event of failure on the part of the Government servant to effect insurance

against fire, flood and lightning, it shall be lawful, but not obligatory, for the Government to insure the said house, at the cost of the Government servant concerned and add the amount of the premium to the outstanding amount of the advance and the Government servant shall be liable to pay interest thereon, as if the amount of the premium had been advanced to him as part of the aforesaid advance at the prevailing rate of interest, till the amount is repaid to the Government. The Head of the Department/Accounts Officer will obtain from the Government servant drawing the advance, a letter (as prescribed in Form No. 8) to the Insurer with whom the house is insured, to notify to the latter that fact that Government is interested in the insurance once policy secured. The Head of the Department/Accounts Officer will himself forward the letter to the Insurer and obtain his acknowledgment. In the case of insurances effected on an annual basis, this process should be repeated every year until the advance has been fully repaid to Government.

(c) The house must be maintained in good repair by the Government servant concerned at his own cost. He shall also keep it free from all encumbrances, and shall continue to pay all the Municipal and other local rates and taxes regularly until the advance has been paid to Government in full. The Government servant shall furnish an annual certificate to this effect to the Head of the Department.

(d) After the completion of the house, annual inspections may be carried out by any authorised officer under instructions from the Head of Department concerned to ensure that it is maintained in good repair until the advance has been repaid in full. The Government servant concerned shall afford necessary facility for these inspections by the officer(s) designated for the purpose.

Notes.—Furnishing a false certificate will render the Government servant concerned liable to suitable disciplinary action under the rules of service applicable to him. He may also be called upon to refund to Government forthwith the entire advance drawn by him together with interest accruing thereon in accordance with Rule 6 of these Rules.

8. *Repayment of the advance.*—(a) The advance, granted to a Government servant under these rules, together with the interest thereon, shall be repaid in full by monthly instalments within a period not exceeding 20 years. Firstly, the recovery of the advance shall be made in not more than 180 monthly instalments, and then interest shall be recovered in not more than 60 monthly instalments.

Notes.—(i) The amount to be recovered monthly shall be fixed in whole rupees except in the case of the last instalment when the remaining balance, including any fraction of a rupee, shall be recovered.

(ii) Recovery of advances granted for constructing a new house or enlarging living accommodation in an existing house shall commence from the pay of the month following the completion of the house or the pay of the 18th month after the date on which the 1st instalment of the advance is paid to the Government servant, whichever is earlier. In the case of an advance taken for purchasing a ready built house, recovery shall commence from the pay of the month following that in which the advance is drawn.

(iii) It will be open to Government servants to repay the amount in a shorter period, if they so desire. In any case, the entire advance must be repaid in full (with interest thereon) before the date on which they are due to retire from service.

(iv) In order to avoid undue hardship to a Government servant who is due to retire within 20 years of the date of application for the grant of an advance and, under the service rules applicable to him is eligible for the grant of a gratuity or death-cum-retirement gratuity, the Head of the Department may permit him to repay the advance with interest in convenient monthly instalments (the amount of the instalment shall not be less than that worked out on the basis of repayment within a period of 20 years) during the remaining period of his service, provided he agrees to the incorporation of a suitable clause in the prescribed Agreement and Mortgage Deed form to the effect that the Government shall be entitled to recover the balance of the said advance with interest remaining unpaid at the time of his retirement or death preceding retirement from the whole or any specified part of the gratuity that may be sanctioned to him.

(v) In case the Government servant does not repay the balance of the advance due to Government on or before the date of his retirement, it shall be opened to Government to enforce, the security of the mortgage at any time, thereafter, and recover the balance of the advance due together with the interest and cost of recovery, by sale of the house or in such other manner as may be permissible under the law.

(b) Recovery of advance shall be effected through the monthly pay/leave salary/subsistence allowance bills of the Government servant concerned by the Head of the Office or the Accounts Officer concerned, as the case may be. The recoveries will not be held up or postponed except with the prior concurrence of Government. In the event of subsistence allowance payable being reduced on prolonged suspension of the Government servant the recoveries may be suitably reduced by the Head of the Department if considered necessary, after obtaining the concurrence of the Ministry of Works, Housing and Supply.

(c) If a Government servant ceases to be in service for any reason other than normal retirement/superannuation, or if he/she dies, before repayment of the advance in full, the entire outstanding amount of the advance shall become payable to Government, forthwith. Government may, however, in deserving cases, permit the Government servant concerned, or his/her successors in interest, as the case may be, or the sureties in cases covered by rules 5(b), if the house has not been completed and/or mortgaged to Government by that time, to repay the outstanding amount together with interest thereon calculated as in rule 6 above, in suitable instalments. Failure on the part of the Government servant concerned or his/her successors (as the case may be) to repay the advance for any reason whatsoever, will entitle the Government of India to enforce the mortgage and take such other action to effect recovery of the outstanding amount, as may be permissible.

(d) The property mortgaged to Government shall be reconveyed on the prescribed form (Form No. 7) to the Government servant concerned (or his successors in interest as the case may be), after the advance, together with the interest thereon, has been repaid to Government in full.

9. *The procedure for dealing with applications.*—(a) Applications should be submitted by Government servants to the Head of their Department in the prescribed form (in duplicate) through the proper channel. The following documents should accompany the applications:—

(i) A declaration in regard to the house/property if any, owned by the applicant or the applicant's wife/husband/minor children at the time of applying.

If the land happens to be lease hold, an attested copy of the lease-deed should also be enclosed.

(iv) In cases where the applicant desires to purchase land, an attested copy of a letter from the seller of the plot to the effect that subject to the settlement and payment of the price, he is in a position to hand over the vacant possession of clearly demarcated developed plot of land to the applicant within a period of two months from the date of his letter, may be forwarded.

(b) The Heads of Departments will scrutinise the applications and satisfy themselves of the correctness of the facts, etc., stated therein. They will also ensure from the title deeds, etc., furnished in compliance with sub-rules (ii) and (iii) above, that the applicant possesses a clear title to the property in question. After this has been done, the Heads of Departments will forward the applications to the Ministry of Works, Housing and Supply along with their recommendations.

(c) The Ministry of Works, Housing and Supply will examine the applications with reference to the priorities, etc., if any, laid down for dealing with them. Subject to funds being available, the applications will be returned to the Heads of Departments concerned indicating—

The Head of the Department shall also arrange to complete the prescribed formalities such as execution of the Agreement, Mortgage Deed, Surety Bond etc., in the prescribed forms (in consultation with appropriate legal authorities, where necessary) and then authorise disbursement of an appropriate amount out of the sanctioned advance to the applicant. Where land or a ready built house is intended to be purchased with the

help of the advance, the Head of the Department may, before authorising payment of the advance, also require the Government servant concerned to certify that negotiations for the purchase have reached a final stage, that the purchase price is not likely to be less than the amount of the advance sanctioned and that he has satisfied himself that the transaction will enable him to acquire an indisputable title to the land/house in question; in such cases, the sale deeds, etc., should be examined by the Head of the Department carefully (in consultation with legal and other authorities where necessary) to ensure that the Government servant concerned has actually acquired an indisputable title to the property in question. It should also be verified that the market value of the land/house purchased is not less than the advance sanctioned;

(ii) the Heads of Departments shall instruct applicants desirous of constructing a new house or enlarging living accommodation in an existing house, to furnish two copies of the plans, as well as the specifications and estimates in the prescribed proforma. The plans should be duly approved by the Municipality or other local body concerned before submitting them to Government.

The Head of the Department shall also attend to the observance of all the formalities as explained in sub-rule (d)(i) above, and then authorise the disbursement of the first instalment of the advance for construction purposes to the applicant. The payment of the remaining instalments of the advance may be authorised by the Heads of Departments direct on the basis of the certificates to be furnished by the applicants as prescribed in rule 7(a) and such inspections as may be deemed necessary. It should also be verified, before disbursing the last instalment of the advance, that the development of the site has been complete (vide rule 5(a) above).

Note.—Which authorising disbursement of an instalment of an advance as prescribed in Rule 9(d)(i) or 9(c), the Head of the Department will attach a certificate to the effect that the required formalities in pursuance of which the instalment has become due have been complied with.

INDUSTRIES DEPARTMENT NOTIFICATION

Simla-1, the 21st November, 1968

No. 11-43/67(Lab.)Ind.—In pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (Act XIV of 1947), the Lieutenant Governor (Administrator), Himachal Pradesh is pleased to publish the following award of the Presiding Officer, Labour Court, Himachal Pradesh, Simla in respect of the dispute between the workman and the management of Mandi-Kulu Road Transport Corporation, Mandi (H.P.).

Before Shri Rajendra Nath Aggarwal, Presiding Officer, Labour Court, Himachal Pradesh, Simla.

C.M. No. 22-S/2 of 1968

Shri Harnam Singh versus The Manager, Mandi Kulu Corporation, Mandi.

AWARD

Harnam Singh, (hereinafter referred to as the workman) was employed as a driver with the Mandi-Kulu Road Transport Corporation. On 2nd May, 1966, the workman was driving truck HIM 1445, from Mandi to Kulu. In between Aut and Panarsa, the truck met with an accident. On 12th July, 1966, the General Manager, Mandi-Kulu Road Transport Corporation served a charge-sheet on the workman. The workman was required to file his written statement before 27th July, 1966. The following charge was framed against the workman:—

Charge 1—While driving truck No. 1445, (Aut to Panarsa) on 2-5-1966, he met with an accident at one mile from Aut on Aut-Kulu Road due to his negligence and carelessly driving the vehicle. It is alleged that he put the corpora-

tion to a loss by meeting the accident.

The workman submitted his reply and in the reply he stated that he did not drive the vehicle rashly and negligently and that the accident occurred due to defective brakes. The workman further submitted that after the accident the brakes of the vehicle were tested by the Himachal Government Transport Authority, and the brakes were found to be defective. On 1st August, 1966, the General Manager, found the workman guilty of the charge and served a notice on the workman, to show-cause as to why he be not dismissed from the service. The workman in reply maintained that the brakes of the vehicle were defective and he tried his best to avoid the accident but the accident occurred due to the defect in the brakes. The General Manager, vide office order dated 6th August, 1966, terminated the services of the workman. The order dated 6th August, 1966, reads as:—

“The reply given by Shri Harnam Singh, Driver, to this office show cause notice No. 7501, dated 1st July, 1966 has fully been considered.

Shri Harnam Singh leaves a very bad record during his stay in the Corporation but a lenient view had always been taken keeping in view of his old age.

In the present case it has been proved that he was negligent in his duty while driving consequently it met with an accident and the corporation had to suffer a lot.

It is therefore, ordered that his services be terminated with immediate effect”.

The workman represented to the Conciliation Officer, that his dismissal was illegal. The Lieutenant Governor, Himachal Pradesh, vide order dated 20th June, 1968, found that a Industrial Dispute exists between the workman and the management of Mandi-Kulu Road Transport Corporation and accordingly referred the following question under sub-section 5 of section 12, of the Industrial Disputes Act, 1947, to the Labour Court for adjudication:

“Whether the termination of the services of Shri Harnam Singh, Driver of the Mandi-Kulu Road Transport Corporation, Mandi by the said Corporation vide their termination order No. 7937, dated 6-8-1966, is justified and in order? If not to what relief he is entitled to”.

The parties, to the dispute have not produced any evidence in support of their respective claims. After hearing Shri Brij Lal Lohia, representative of the Management and Shri D. D. Mathew, on behalf of the workman, my finding is that the termination of the services of the workman are not legal. The charge against the

workman was that on 2nd May, 1966, he drove the truck No. HIM 1445, negligently and carelessly and thereby met with an accident and caused loss to the corporation. The reply of the workman to the charge was that the accident occurred due to defect in the brakes. The General Manager, without holding an enquiry into the charge, on 1st August, 1966 found the workman guilty of the charge, and asked the workman to show-cause as to why his services be not terminated. The order dated 1st August, 1966, took into consideration the previous record of the workman. The workman replied to the show cause notice and maintained that accident had occurred due to the defect in the brakes. The General Manager, vide order dated 6th August, 1966 terminated the services of the workman. It is clear from the facts stated above that no enquiry was held into the charge and the workman was not given any opportunity to prove his defence. There is nothing on the record to show as to on what evidence the General Manager came to the conclusion that the workman was guilty of the charge. In the notice that was served on the workman on 12th July, 1966, he was told that the Corporation intended to hold an enquiry against him under Punjab Civil Service and Appeal Rules, 1952. The representative of the management admits that there has not been any enquiry into the charge as provided in Rule 7, of Index 24, of Punjab Civil Service Rule Volume 1. On a perusal of the entire material placed before me I have no doubt that the management did not hold any enquiry into the charge framed against the workman and there has been a failure of justice. The rules of natural justice required that the Inquiry Officer should have held an enquiry into the charge and given opportunity to the workman to cross examine the witnesses, and further produce his defence. It is further clear from the order dated 1st June, 1968, that the dismissing authority took into consideration matter which did not form part of the charge while issuing the show-cause notice. This also renders the order of dismissal illegal. My answer to the question referred is that the order dated 6th August, 1966, terminating the services of Harnam Singh, Driver, is not valid. The workman will be entitled to his wages and all other benefits from the date of the order of the dismissal.

ANNOUNCED

RAJENDRA NATH AGGARWAL,
Labour Court.

Dated: 14th October, 1968.

By order,
K. R. CHANDEL,
Secretary.
